The Union Club and the Knickerbocker Club hockey teams played their annual game at the St. Nicholas Rink last night and the Union players snowed their rivals under to the tune of 14 to 0. PHILADELPHIA, Feb. 23.—Alfred De pro of Cuba, the champion of the three orbook the champion of the three cushion billiard game, won the first block of the three game series with Charles Ellis of Pittsburg to-night. The Cuban scored 50 points while the Pittsburg man was making 37. The game ran out in forty-nine innings, De Oro's last run of five clinching the match. All the skill and technique of a finished cue artist was displayed by De Oro. His side shots and plays from difficult angles won the admiration of the crowd.

At only one period of the game did Ellis really worry his opponent. That was in the twentieth inning, when after De Oro was leading by one point, 17 to 16, Ellis, having the first shot, led after banking two scores. De Gro came back with a high run of 6 that sent him in the lead with 23 points. Thereafter the cushion billiard game, won the first block

ARMY-NAVY GAME AGAIN IN NEW YORK

Representatives of Both Service Schools Agree on Polo Grounds.

CONFER WITH HEMPSTEAD

fact has been made as yet, the Army Navy football game this fall will be played at the Polo Grounds. Represen tatives of the service schools met President Harry N. Hempstead of the Glants at the Biltmore Hotel yesterday when, it is understood, a tentative agreement was reached as to the scene of the gridiron classic of 1916. An official announce ment will be made Friday.

A year ago the Army and Navy officials had a very serious argument over the matter of grounds, so serious that at one time it appeared as if the institutions might sever football relations. The Navy, which had been beaten on its first trip to New York, offered serious objections to the Polo Grounds. It was asserted that the trip from Annapoli to New York was altogether too tedious Finally a compromise was effecte whereby it was agreed for a period o five years to alternate between the Poli Grounds and any field the Navy directors might select. This assured the cadets of appearing at the Polo Grounds

had been played at Franklin Field, Phil adelphia. This particular football classic, however, has far outgrown the accom-modations of the Quaker City field. The navy men more than a week ago decided to abandon Philadelphia on that account. Harry N. Hempstead, who came to town yesterday to confer with the Army and Navy officials, left the city last night without making any official announment. It has been learned, however, excellent authority that New York have the attraction both this year and next. Indeed, it is presumed that Mr Hempstead will close with the Army and Navy people for a term lease of five years at least.

SWIMMING MEET IN DOUBT.

Poly Prep Victory Uncertain. Until it is decided whether Jack Remmey of Poly Prep beat out George Broones of Townsend Harris Hall for second place or whether they fluished on even terms in the 220 yard swim of the dual meet between the schools in the tank of the C. C. N. Y. the winner will remin in doubt. If Remmey is awarded second position Poly will win the meby a score of 27 to 26, whereas if it decided he finished on even terms wit Broones, Townsend Harris will win with the score reversed. Meanwhile each side claims the victory.

There was no doubt about Louis Lehrman of Townsend Harris winning. It was agreed upon that Faculty Advisor
